Art. 15.4 Others

1. White line at the end of the pit lane

Leaving the pit lane and rejoining the race-track has to occur without any endangering or hindering other participants. It is strictly forbidden to cross the white line at the end of the pit lane by any part of a car leaving the pits. A marshal with a blue flag and/ or a flashing blue light will also warn the driver if cars are approaching on the track.

For all series, crossing the white line at the end of the pit lane will be penalized with a warning during free practice, with a drop of three grid positions during qualifying and with the minimum of a Drive Through Penalty during the race. These penalties apply unless they contradict the specific series regulations.

2. Classification penalties

As a replacement of a Drive Through Penalty imposed by the race director when the remaining race distance is less than 7 minutes or after the end of the race 30 seconds will be added to the elapsed race time of the driver concerned. In case of a Time Penalty, 35 seconds plus the Time Penalty imposed will be added to the elapsed race time of the driver concerned.

In case of a Stop and Go Penalty 35 seconds will be added to the elapsed race time of the driver concerned. These penalties apply unless they contradict the specific series regulations.

3. Pit lane speeding

Exceeding pit lane speed limit will be penalised during practice and qualifying with a fine of 10 € per km/h above the limit (starting at a minimum of 50 €). During races, the penalty will be a Drive Through Penalty. These penalties apply unless they contradict the specific series regulations.

4. Race distance by extra formation lap / start delayed

In case of an Extra Formation Lap the race distance could be reduced by 3 minutes per each Extra Formation Lap. If the start is delayed the race distance may be reduced by 6 minutes. These penalties apply unless they contradict the specific series regulations.

5. Additional sign at the start- and finish podium

If the Race Director / Clerk of the Course orders a signal to a car an additional white flashing light may be shown at the signal area.

6. Climbing on pit wall debris fences

It is strictly forbidden to climb on pit wall debris fences during an event, in particular after the end of races. Any infringement of these regulations may be penalised by the Stewards.

7. Technical Equipment of the teams at the pit wall

It is not allowed to install and/ or to use any electric devices or time-recording-instruments at the pit wall within 25 meters of the start-/ finish line. Any equipment installed by a team at the pit-wall must not stick out over the pit-wall on the track side in any case. This includes also hold-clamps and other fortification appliances that cover the pit-wall-outside.

8. Signaling during starting procedure

Signaling during the starting procedure is located at the Clerk of the Course podium at the start line (even when starting behind the safety car). During all sessions signalling takes place at the finish line exclusively.

Art. 15.7 Fuel

All participants for ADAC Formula 4 must use the fuel assigned by ADAC for the event (all other series due to the series regulations). No other fuel than the assigned one may be in any car which has passed scrutineering. The fuel available for purchase corresponds to DIN EN 228 minimum specification, unleaded Super Plus. The designated fuel may not be modified. No substances may be added, removed or modified in their concentration. Any mixture with other fuels including a fuel which had been assigned at a previous event is prohibited.

The fuel assigned by the ADAC will be provided by Shell. The delivery of fuel during the event will be at

Thursday	6.30 p.m. - 8.00 p.m.
Friday	8.00 a.m. – 12.00 a.m.; 1.30 p.m. – 5.30 p.m.
Saturday	8.00 a.m. – 12.00 a.m.; 1.30 p.m. – 5.30 p.m.
Sunday	8.00 a.m. – 12.00 a.m.

The delivery point is the Shell truck in the Paddock. The fuel must be paid on site.

Only unmodified ambient air may be mixed with the fuel as an oxidant. Unmodified ambient air is the only cooling medium permitted for any fuel in a race car which has passed scrutineering. Any artificial modification of the composition of the ambient air is forbidden.

Art. 16 Protests and Appeals

The FIA International Sporting Code is applicable for protests and appeals, DMSB General Event Regulations and the DMSB Legal System and Code of Procedure as well the FIA Judicial and Disciplinary Rules for FIA appeals.

Protest deposit (DMSB)	:	
Status national A	:	300,00 €
